THINGS TO CONSIDER BEFORE YOU ENROLL

1. What classes do you need to graduate?
2. How many credit hours are you planning to take?
3. What responsibilities do you have besides school?
4. How many hours are you working?
5. Do you have family obligations to consider?

Crowder College wants you to have a smooth road to graduation. One way to insure that is to make sure that you are taking the correct classes to graduate on time. Please make an appointment with your advisor as soon as possible. If you don’t have one or don’t know who your advisor is, stop by the Student Success Center, or the Advising Center at your campus, and we will help you. Do not be afraid to ask questions, even more than once and to more than one person. This is YOUR education. Make the most of it!

Important Dates

- Nov. 11 - Priority Enrollment - Sophomores with 28hrs +
- Nov. 14 - Last day to withdraw from 16 week courses
  Priority Enrollment - Freshman with 27 or less
- Nov. 25 - Open Enrollment
- Nov. 26 - Last day to withdraw from 2nd 8 week classes
- Nov. 27—29 - Thanksgiving Break - College Closed
ENROLLMENT

1. Print off your degree requirements from the college catalog.  
   (www.crowder.edu, Student Services button, College Catalog option)

2. Go to MyCrowder and pull up your transcript.  
   (www.crowder.edu, MyCrowder button, login, Academics tab, Records option, then View Unofficial Transcript)

3. On your degree requirement list mark off classes that you are currently taking and have completed.

4. Mark the classes that you would like to take this semester.

5. Review the online schedule located in your MyCrowder account.  
   Choose the best times for you to take the classes.

6. Schedule an appointment with your advisor to discuss your class choices and get enrolled.
