What is the Crowder OneCard?
The Crowder OneCard is a seamless way to receive funds, make purchases and access ATMs. The Crowder OneCard is also your student ID card and it’s the quickest way to receive funds from Crowder.

Why am I getting a card?
You will use it to select how you want to receive your refund money. Once you have your card, select your account & refund options at CrowderOneCard.com to let Crowder know how you want to receive any money they may have for you.

How will I get a Crowder OneCard?
You will receive your card in the mail at your primary address on file with Crowder. Just look for the bright green envelope.

Where is my card?
If you haven’t received your card go to www.crowder.edu under “current students”, upper right corner click on “where’s my card?”. This will tell you the status of your card. Be sure we have your correct address.

What kind of money might I receive from Crowder?
The most common type of money you would receive are funds that are left over from Financial Aid awards, loans or grants after tuition has been paid. Other types of money may include reimbursement for tuition overpayment, a dropped class, or book refunds.
